Mission

FSNH acts to bring together the diverse leadership from existing and newly forming family resource centers and family support programs within New Hampshire under the common vision of establishing a statewide network of family support practice within New Hampshire.

Focus Areas

Visibility

Increase the public knowledge and use of family support centers and programs.

Advocacy

Educate and empower professionals, funding sources, and public officials so that centers and programs have the resources they need to support families. Educate and empower families so that parents have the resources they need to raise their children.

Technical Assistance

Provide support through monthly membership meetings and informative emails. Provide training and assistance to new and existing centers and programs.

Professionalism

Maintain relationships with national policy makers; adhere to Best Practices including the Family Support America Principles of Family Support; and employ the best staff at fair wages.

Family Support New Hampshire

FSNH is a 501(c)(3) non-profit, statewide coalition of community-based family resource centers and family support programs dedicated to improving the lives of New Hampshire families.
